

SHAKOPEE EDUCATIONAL ENDOWMENT FOUNDATION (SEEF)

BOARD MEMBERS WANTED

SEEF is seeking individuals interested in supporting the organization's mission of funding innovative learning opportunities for students in the Shakopee schools. We need volunteer board members with an interest and a passion to support and enhance the excellence that has always highlighted the Shakopee School District.

ABOUT US

The Shakopee Educational Endowment Foundation is an independent non-profit organization dedicated to preserving and enhancing the quality of education in the Shakopee schools. We work to secure private, supplemental funding to support innovative projects not typically covered by the school district's budget. District staff submit grant proposals up to \$2000 for projects and programs.

Since 1991, SEEF has funded cutting-edge technology, best practice programs and innovative instructional materials impacting students from Pre-K through 12th grade. Thanks to generous donations from local businesses, organizations, district staff and alumni; SEEF has awarded 551 grants for projects that directly benefit students and teachers. **The board meets monthly, typically the third Tuesday from 5:00 to 6:30 pm.**
