## Grant Review Scoring Rubric

Grant # \_\_\_\_\_ Project Title \_\_\_\_\_ Amount Requested \_\_\_\_\_

Rank the criteria from 0 (low) to 5 (high). To calculate the Total Weighted Score, multiply your score by the criteria weight. For example, if you rate the Effectiveness of "Innovative & Fundamentally Different" as a 4, multiply it by its weight (3 pts.), resulting in a weighted score of 12.

| Grant Evaluation Criteria   | Effectiveness |   |   |   |   |   | Total Possible Score | Total Weighted Score |
|---|---------------|---|---|---|---|---|----------------------|----------------------|
|   | 0             | 1 | 2 | 3 | 4 | 5 |                      |                      |
| <b>Innovative &amp; Fundamentally Different</b><br>Introduces new, creative, and innovative educational methods, materials, and/or technology to promote unique learning experiences for students. Innovation is clear and compelling.<br><b>(Weight: 3 points)</b>   | 0             | 1 | 2 | 3 | 4 | 5 | 15                   |                      |
| <b>Educational Objectives</b><br>States attainable and measurable objectives for the project and outlines concrete implementation plans and intended learning outcomes.<br><b>(Weight: 2 points)</b>  | 0             | 1 | 2 | 3 | 4 | 5 | 10                   |                      |
| <b>Student Impact (2 parts)</b><br>1) Provides facts on student impact. 2) Based on the population identified in the proposal, the number of students served is both cost-efficient and sustainable for future groups of students.<br><b>(Weight 2 points)</b>  | 0             | 1 | 2 | 3 | 4 | 5 | 10                   |                      |
| <b>Evaluation Plan</b><br>Includes a project evaluation plan, reporting plan, and methods for assessing the achievement of learning outcomes.<br><b>(Weight: 2 points)</b>  | 0             | 1 | 2 | 3 | 4 | 5 | 10                   |                      |
| <b>Professional Presentation &amp; Budget</b><br>The error-free Summary Statement provides a clear, concise (Maximum 1,000 characters), and well-structured description that outlines the overall project and reflects a final product for use in SEEF's promotional materials. The budget is reasonable, detailed, and complete.<br><b>(Weight: 1 point)</b> | 0             | 1 | 2 | 3 | 4 | 5 | 5                    |                      |
| <b>TOTAL SCORE</b>  |               |   |   |   |   |   | 50                   |                      |
